Temporary Local Rules – Summer

Out of Bounds and Course Boundaries

- Out of bounds is defined by white stakes and the boundary fence of the golf course.
- Although the boundary fence defines the out of bounds, the concrete foundation, and any other support structure of the fence forms part of this structure and no free relief is allowed for interference from this structure if the ball is still in bounds.
- The driving range and chipping green areas.

PREFERRED LIES

When a player's ball lies in a part of the general area cut to fairway height or less, the player may take free relief once by placing the original ball or another ball in and playing it from this relief area:

Reference Point: Spot of the original ball

Size of Relief Area Measured from Reference Point: One club-length, but with these limits:

Limits of Location of Relief Area:

1. ▫ Must not be nearer the hole than the reference point, and
2. ▫ Must be in the general area.
